

Not just another meeting, a gathering...

Do you know there are Wesley graduates working in churches and outside of the parish in your region? Who are they? What denomination? What non-profit? How can we resource one another?

- *How about **seeing old friends, colleagues, and making new ones?***
- ***Networking** with fellow Wesley alumni while being part of a meaningful discussion on current issues, challenges and opportunities?*
- *Hearing **practical and real-life advice on assisting your ministry** while at the same time **assisting your alma mater in building a new initiative?***

How do these sound to you? .

*We are building the foundation of something new and we want you to be a part of it. **Let us hear your voice as together we build the Wesley Alumni Network!****

Think about these three questions:

- *What resources can Wesley uniquely provide that would assist your current ministry?*
- *Dream about what an alumni network for Wesley would look like. What excites you about it? What barriers challenge the idea?*
- *Would you consider being on a lead coordinator team for this project?*

Please call or email me. I look forward to hearing from you and working with you in the near future on this new endeavor,
