

Wesley Course of Study suggests the following schedules to assist students as we transition to the new curriculum beginning September 1, 2014. Please review the charts and determine the courses you completed during Summer 2014 so you can appropriately register for courses during Summer 2015. While there is only one new course in the curriculum and one course from the old curriculum was removed the numbers and order of many classes have changed. There is a chart for each year of study to assist students in completing the five-year program in a timely fashion and to fulfill all the requirements. If you are out of sequence please feel free to contact the Wesley COS Office to help you plan a schedule to complete your entire five-year Course of Study program.
