HOW TO DELIVER SECURITIES TO YOUR ACCOUNT

1. Each stock certificate must have a corresponding Irrevocable Stock/Bond Power to accompany it, i.e., if you have twenty-two stock certificates, you will need to sign twenty-two stock/bond powers.
2. The Stock/Bond Power must be signed exactly as the stock certificate has been issued. Examples are (a) stock certificate is issued to Robert H. Smith - stock power must be signed Robert H. Smith; (b) stock certificate is issued to Bobby Smith -- stock power must be signed Bobby Smith.
3. Do not sign or complete the stock/bond power. This form has been pre-printed assigning Pershing LLC (which is the clearing firm for Mason Securities) as attorney to transfer. (IF THIS BLANK DOES NOT REFLECT "**PERSHING LLC**," STOCK/BOND POWERS AND CERTIFICATES SHOULD BE MAILED IN TWO SEPARATE ENVELOPES!)
4. Do not sign or complete the back of the stock certificates. These must be left completely blank.
5. On each stock/bond power and each certificate, you must put Wesley's account number (4JK-017973) in the upper right hand corner.
6. Staple each stock/bond power to each stock certificate. Please complete the Gift Letter B, keeping a copy for your records and sending another copy to your registered representative. Attach this form to the front of your certificates and powers.
7. We strongly recommend the stock/bond powers and certificates be sent via overnight mail, receipt signature required. This helps prevent loss/theft and ensures immediate attention. Send your stock/bond powers, Gift Letter B and stock certificates to:

Pershing LLC
