

## ***Army CPE Military Chaplaincy Track (AMC)***

Military chaplains are harnessed with the imposing tasks of advisement and support with responsibilities that vary and intensify at each successive level of command. Satisfying the operational needs of military leaders and the religious needs of warriors and their families requires intellectual and spiritual dexterity. This program of study is designed to enhance both. The core courses explore a broad range of topics related both to chaplaincy tasks and to the vocational life of the individual chaplain.

Courses are held at The National Conference Center in Leesburg, VA.
