

Quoting

- Exact match to original source
- Used best for “impact”
- Quotation marks used at start and end of quote

Summarizing

- Puts someone else’s words into your words
- Shortens a much larger passage or source material into a smaller, condensed summary
- Highlights major parts of source information

All Need In-text
Citations

Paraphrasing

- Puts someone else’s words into your words
- Paraphrases a smaller amount of information
- Equals roughly the same length as the original passage or source material
