COVID-19 Announcement from Wesley Theological Seminary Course of Study Program

All Spring Weekend Programs for the Course of Study is being moved to a fully on-line format. Assignments will be posted in Blackboard. Please log on through the Wesley Theological Seminary webpage <https://www.wesleyseminary.edu/my-wesley/>

You must have your log on information for the Wesley system in order to access Blackboard. Please be in touch with COsregistration@wesleyseminary.edu if you do not have your information. Barbara will be happy to forward it to you.

If you have problems logging on, please watch this video <https://www.wesleyseminary.edu/wp-content/uploads/2019/01/login-to-bb.mp4> If you continue to have issues, please send an email to edtech@wesleyseminary.edu Be sure to include your student ID (on your IT information document or WTS invoice) so they can trouble shoot the issue.

You must also check your Wesley student email, as that is the only way announcements posted to Blackboard will be sent. We are hoping that we will be able to return to regular program structure in the fall. A schedule of courses will be posted soon.

During this health emergency, all Wesley offices are working remotely. Please feel free to send an email or call. Phones are ringing through to our cell phones.

Thank you for your flexibility as we work to continue providing quality educational programming for you.

Blessings and stay well!
