

A New Methodism for a New Day: Forward by Grace

United Methodists are eager to move forward in our mission to love God and neighbor. Massive changes in society and within the United Methodist Church are creating new opportunities to become the church God is calling us to be. In diverse contexts, United Methodist leaders are keen to be a church that is called and held together by the grace of God in Christ and offers a message of transforming hope in the public square. This Doctor of Ministry track will prepare participants to lead their congregations or ministry settings faithfully into that new future in a way that is grounded in the Wesleyan/Methodist tradition and creatively engages with our shifting contexts.
