Wesley Theological Seminary

July 2021 On-line Program

Due to the pandemic Wesley Theological Seminary is currently transitioning our July program to run fully on-line. This is likely to be a one year situation, but with everything else in 2020, we need to wait and see.

In order to do this and make it reasonable, we have opted to make a change in the scheduling of the courses. Each course will be one week and students may register for only one course per week. The Registration Form is available on the website here:

<https://www.wesleyseminary.edu/course-of-study-current-students/> click on “July 2021 – Fully online” and the drop down will have the registration form and list the classes by week.

The registration form is a writable pdf. Please complete the form, **save it on your computer under a new name** and send it to your DS and LP registrar for signatures. Then forward to Wesley. We will send a postcard to acknowledge receipt.
