Elective FAQs:

Any combination of the following options may be used to fulfill the elective course requirements for a Doctor of Ministry track:

- Students may also register for courses outside their track both on the Wesley campus or on-line to serve as their elective courses.
- Online D.Min. courses are offered in the summer or fall semester.
- Approved courses at member institutions of the Washington Theological Consortium. Please contact the DMIN Director for approval.
- Work at other ATS approved institutions with prior approval from Wesley's Doctor of Ministry Office. Transfer work must be done during the time the student is enrolled in the DMin at Wesley, must be on an accredited, doctoral level and may not be applied toward the awarding of another degree. Up to 6 hours of elective courses may be taken outside Wesley.

*Work completed prior to entry into the Doctor of Ministry program at Wesley will not be applied towards the Doctor of Ministry degree. **Courses taking place off campus such as in Cambridge, UK, Korea, or the military chaplain track are NOT ELIGIBLE for elective credit. When in doubt, please contact the DMin office.***
