

Spirituality and Story

Wesley Theological Seminary

Doctor of Ministry Program • January 2023

Application Deadline: October 15, 2022

Pastors live and work at the teeming intersection of stories. They follow a call and look for providence in their unfolding autobiographies. Pastors discern and lend themselves critically to the legends, tragedies, and emerging traditions of the congregations they serve. They do all this more or less intentionally shaped and informed by the great stories of the Bible and of the Church. This Doctor of Ministry program will further equip pastors to live and work at that intersection by focusing on narrative as a category of spirituality. *Estimated Graduation: May 2027*
