Is pursuing appropriate steps in vocational discernment within the non-profit and congregational ministry vocations? *	Very Effective
Additional Comments and Suggestions for Future Development	A clarity of organizing Methodism in the U.S. that furthered the establishment produced by the laity of the population in the early years.
How effective was the seminarian in accomplishing personal goals as outlined in the Learning Agreement?	Very Effective
How was the seminarian's faith affirmed and challenged during the internship?	Was able to grow the existing establishment of his ministry field by the light of his faith that was Power by the Holy Spirit.
How would you describe in general the seminarian's temperament as experienced during the internship (e.g. angry, nervous, confident, casual, careless, serious, joyful, flexible, controlling, adaptive to change, warm, etc.)?	Committed Leader
How would you describe the seminarian's level of maturity? Include the seminarian's ability for self-awareness and self-criticism.	Mature in faith and knowledge of Scripture.
How would you describe the seminarian's personal work habits (e.g. appearance, punctuality, self-discipline, ability to establish realistic work objectives, tact, time management, etc.)?	Persistent and purposeful.

Please summarize what you perceive to be the seminarian's greatest strengths for ministry.

Having the courage, vision, and willingness to put his hand to the plow.

Please identify and comment on areas in which the seminarian needs further growth. What new insights, knowledge, or skills does the seminarian need to develop in preparation for further ministry?

To be prophetic so that the future of Methodism in the U.S. might adhere increasingly to Faith Rubrics, putting the teachings of the Spirit above works-righteousness and THE Law.

What specifically should this seminarian be working on in the next year?

Resting in God's Peace--Shalom.

Comments on any areas not covered already:

This is a template of an evaluation so that learning partners might preview the questions early in the internship and when preparing for the evaluation process towards the end of the term.
