

Trauma, Moral Injury, and Christian Life

Wesley Theological Seminary

Doctor of Ministry Program • May 2023

Application Deadline: ~~Feb. 15, 2023~~ **Deadline Extended to Feb. 20, 2023**

The imperative to remember and lament the brokenness of our pasts—to move from silence to words and to work through our individual and collective traumas toward wholeness—so that we might live more fully in the present and work toward a more just and equitable future is apparent. It is not, however, adequately studied or acted on. What more, the imperative has become more apparent, and urgent, due to the worldwide pandemic caused by SARS-CoV-2, which has killed more than half a million in the United States alone. It is in response to this imperative that we propose a DMin track focused on “Trauma, Moral Injury, and Christian Faith.” The church must learn the reality of trauma and its effects and respond with wisdom and knowledge and with love and compassion. We aim to equip our pastors so to do. **Expected Graduation: May 2027**
