In this course we will identify 5 major Christian traditions that emerge from 16th century Europe:

1. Roman Catholic
2. Lutheran
3. Reformed
4. Anabaptist
5. Anglican

You will discuss each tradition separately. Briefly describe the tradition. Then, compare the tradition to United Methodism. How is Methodism similar in theology, ecclesiology, and polity to the tradition? How is it different? In what ways has the United Methodist Church benefited from the witness of the tradition?

Identify at least one contemporary denomination for each of the traditions.

Each of your 5 answers should be 2 pages in length for a total of 10 pages.
