ADDITIONAL REQUIREMENTS

International Student Deposit

Please include a check or money order for payment of the International Student Deposit when submitting this form. For those interested in direct wire transfer, please contact JaNice Parks is admissions for wire transfer instructions (jparks@wesleyseminary.edu).

International students must place a deposit on account with the Business Office. This deposit (\$500 for a single student and \$1,000 for a student coming with family) must be received prior to the issuing of the I-20. This deposit will be held as an emergency fund while the student is enrolled in the seminary. The deposit may be used for emergencies (e.g., medical expenses, a death in the family, etc.) but it must be maintained at this level throughout the student's study at Wesley. This money is refunded once a student completes their degree or officially withdraws from the seminary.

ADDITIONAL COSTS

The costs listed on page 2 of this form represent the minimum costs associated with F-1 study at Wesley Theological Seminary. However, there are many additional costs that students should be prepared to meet. They include, but are not limited to the following:

- International Travel Expenses:** for travel between home country and U.S. for start of program, end of program, and vacations.
- Medical Expenses:** It is highly recommended that each student purchase health insurance for themselves and any accompanying dependents. Paying for health insurance and related medical costs can start at approximately \$1500 per person per year. This is a fraction of what it would cost to pay the medical bills that result in needing to see a doctor or going to the hospital.
- Large Purchases:** such as computers, furniture, cars (including vehicle insurance and maintenance), etc.
- Summer Expenses:** The budget listed above is for the costs of attendance for one academic year consisting of fall and spring semesters only. If you intend on staying in the U.S. during the summer (and most international student do), you will need to factor in room and board costs. If you intend on taking classes in the summer you will also need to factor in tuition, fees and book costs.
