A common question in the Christian community is "What would Jesus do? Beaver Creek's 2026 Christian Camps will help campers answer that question by discovering Biblical answers to the question "What DID Jesus do?" Through Bible study, worship, music, activities, etc., we'll explore how Jesus was born to be our savior and king of all nations, how by age 12 he knew his place in God's family, how he resisted temptation and chose his friends; how he taught us to pray; and how to remember his ultimate sacrifice for all of us.

What did Jesus do? By example and teaching, Jesus showed us how to live and be in closer relationship with him, each other, and all of God's creation.

The curriculum for Beaver Creek Christian Camp is developed by the camp's program staff and refined during Staff Development.

Beaver Creek Youth Camp is an equal opportunity service provider and employer and operates under special use permit from the USDA Forest Service, Rio Grande National Forest.
